MEETING FOR RESIDENTS TO DISCUSS FLOODING IN THE VILLAGE

There will be a meeting in the Church on
Thursday 23rd October 2014 at 7.00pm.

The panel will include South Cambridgeshire Drainage Manager, Ecological Officer, Cambridgeshire County Council. Other relevant agencies have also been invited.

This is an opportunity for residents to ask the panel questions and get answers and advice.

Bunty Waters

Chairman, Bar Hill Parish Council

A NEW FACE IN THE VILLAGE

My name is Martin Belgrove and I am a trainee minister on a nine month placement with Bar Hill Church, under the guidance of the Rev Charles Mather. I recently finished three years of academic study at Westminster College Cambridge. This placement represents the final phase of my training before seeking my own ministry in 2015. Before studying at Westminster I lived in London for many years; however I am familiar with the local area as I grew up in Melbourn and attended Melbourn Village College and Hills Road Sixth Form.

In the last few weeks I have been enthused by the welcome I've received and the distinctive village feel of Bar Hill. It truly is a welcoming and friendly place especially when I am studying the Bar Hill map trying to find my way around the connecting pathways. I have a real sense that God has called me to Bar Hill for this chapter of my ministerial journey as the placement represents a great learning opportunity for me, and I am keen to explore the ecumenical nature of Bar Hill Church and its role within the community.

I am very much looking forward to my time at Bar Hill, both within the Church and the life of the village, and meeting residents and visitors as I go about developing my ministry.

Every Blessing, Martin

BAR HILL AUTOMATED EXTERNAL DEFIBRILLATOR (AED)

A new Community Access Defibrillator has been installed on the Parish Council office wall. The device is available 24/7 and anyone can use it in an emergency. It can be removed from the cabinet and carried to the patient and the device even talks to you, giving easy-to-follow instructions. It has a built in safety mechanism and cannot harm anyone if used incorrectly. Using a defibrillator before an ambulance arrives could mean saving a life.

The Parish Council would like to offer their thanks to the East of England Ambulance Service and David Whitehouse for allowing this village to have this life saving equipment, whilst we hope it is never needed it will be comforting for the residents of Bar Hill to know that there is a defibrillator available 24 hours a day to help a heart attack victim before the arrival of a paramedic.

More information and pictures are on the Village website: www.barhill.org.uk.

A NEW PICNIC BENCH FOR BAR HILL

Over the summer, leaders of the 'Coffee Stop' and 'Bar Hill Health Walks' talked about the possibility of having a picnic bench outside the Library.

The Coffee Stop, a chance to meet up for coffee and a chat, is held in the Library every Wednesday morning from 1000-1200. The Library staff is very supportive, for which we are extremely grateful. It is well attended by a large variety of people, including the Bar Hill Health Walkers, who regularly end their walk there. Over the lovely sunny days this summer, discussions often centred around the possibility of enjoying our coffee outside. Thus the idea was formed...

We have been granted permission to have a picnic bench on the grassy area outside the Library. At the moment cost is indicated at around £1,000, including installation, for a heavy duty, low maintenance picnic bench similar in quality to the seat outside the Parish Council Office.

It would be for community use in an ideal place next to the Library, School and the playing field, where people naturally congregate. It can be a place where friendships are made, ideas shared.

Our aim is to raise this amount by donations and fundraising events for everyone to enjoy. Our first event will be 'Strolling on a Sunday Afternoon' on **12th October from 1.45-4pm**. Three levels of organised walks that everyone can take part in around the Village and Dry Drayton at a cost of £3 each or £5 family. Your support is most welcome.

See our posters for details, or for further information contact Sue Kenchington 01954 780260; or Josephine Powell 07901 558108; email: jopowell45@hotmail.com.

STORYTIME AT BAR HILL LIBRARY

Stories and pictures, rhymes, songs and craft activities
Storytime is a special time for small children, held on the second and fourth Saturday each month from 10.30am in the Library. There is no need to book. Open to children of pre-school age and their older siblings who are accompanied by an adult, Storytime offers half an hour or more of book-based fun. This free event opens up the treasure that books offer, revealing to young children what is to be gained from learning to read. An extra adult reader is needed to keep Storytime going regularly. Please talk to staff in the Library if you are interested; you are welcome to come to a session to find out what goes on. The aim is to keep our regular events going while we are short of help, but sometimes a session may have to be cancelled at short notice. This free event opens up the treasure that books present and reveals to young children what is to be gained from learning to read. There is no need to book; just come along and join us.

Dear Editor

WOW! What a great start to the term, regardless of the flood that challenged us in the summer at Bar Hill School. After weeks of hard work recovering from the flood, we welcomed the children with smiles and quite a bit of excitement over the coming term. It's been a real joy to start working with the children and staff at the school as they all are noticeably talented and determined to achieve at extremely high levels. Thanks to all who have welcomed me so warmly into the role of headteacher.

I'm writing this note to extend an invitation to residents of the area to feel free to book an appointment to visit the school and see us in action during the school day. You will truly be amazed by the talent and high levels of achievement at the school.

Similarly, we would welcome anyone who would like to volunteer some time at the school working alongside the children. We are always looking for members of the community who would be willing to work in lessons as a teaching assistant or offer clubs for the children during lunch or after school. For example, if you love gardening and maybe don't have a large plot, think about sharing your gardening passion with the children at the school – we have some impressive garden plots around the school.

At Bar Hill we are working to raise future leaders of our community – we need members of our community to work alongside us. If you have time to share, please drop me an e-mail: headteacher@barhill.cambs.sch.uk, or contact the front office on 01954-273305 to book an appointment to visit the school and get started.

Dr Al Mistrano

Headteacher, Bar Hill Community Primary School.

Dear Editor

The 1st Bar Hill Scout Group would like to send a very big **Thank You** to Giles and Bob for all the hard work they have put into our Scout hut. They have rewired, put in new heaters, knocked down walls, and made it a fantastic place for us.

We would also like to thank Tesco for the cheque we received.

We thank you lots from the Beavers, Cubs, Scouts, the Leaders and Committee.

Dear Editor

May I request any information, images or videos anyone might have of the flooding of 8th August?

I'm especially interested in the area around where the drift meets the perimeter road, the entrance to Hollytrees and elsewhere in Hollytrees. Also from the far end of the balancing lake where the stream enters it.

Please send any information to my email address: colin_brett@ntlworld.com.

Many thanks.

Colin Brett, Hollytrees.

Dear Editor

Swavesey Village College – new build update

Following the appointment of contractors, the new build programme at Swavesey Village College – which will include the redevelopment of Drama, Design and Enterprise, Dining and a new Sports Hall – is starting with demolition of the existing gym and drama studio this August. Clearly during 2014–15 this will have an impact on community groups that use the College, but in the long term we will be able to offer far better facilities for all school and community users.

This development represents significant investment in the infrastructure of the college. As well as the capacity to accommodate the growth in the number of children living in the college catchment area, this development will enable us to better accommodate the existing student population.

Whilst this is a fantastic opportunity in the long term it does present short term challenges. We appreciate your support in managing this period of development and change as effectively as possible in the following ways:

- Ensure that the Fen Drayton Road entrance is used to pick up and drop off students at 8.30am and 3.10pm. This will be lit and have a footpath installed as part of the works.
- Park considerably and use the Fen Drayton Road car park and bus park after 4.30pm if visiting for parents' evenings or using the sports centre.
- Use the front car park for access only to the Scout Hut and squash club.
- We strongly urge drivers not to park on Gibraltar Lane or drive into the crowded front car park at end of school. This presents a real danger to children on foot and bicycles, as well as disturbing local residents. Please support the college and local police by helping to keep our children safe.

This is the first phase of development, with a second phase involving the rehousing of the English Department.

This is an exciting time for members of the college community and for students especially as they begin to shape the social and dining spaces for coming years. These will form part of the new build. Unfortunately, the Government and County Council Grants do not include any funding for fixtures and fittings in the new build so the focus of the sponsored walk in September, other fund raising and money raised from the 5 years' time concert will go towards equipping the social and dining provision for students.

We have spoken to Mr Bacon's Family and they are very happy for this new build to be developed in his memory. We will be working with all members of the college community to look at the most fitting way to do this.

...is on Thursday afternoons from around 1.15–3.15pm in the Octagon. We are a friendly and active group that makes a lot of things including hats, scarves and mittens for "Operation Christmas Child" shoe boxes. By joining us, you will meet new friends as well as provide support to organisations that need voluntary help.

We have several outings a year, occasional lunches, coffee mornings, a Garden Party in August and a Christmas lunch.

You don't have to be able to knit; you are very welcome to come and "natter" and enjoy a sociable afternoon. For further information contact Sue Kenchington on 01954 780260.

Everyone is welcome of any faith, or none.

'BRING YOUR OWN' CRAFT GROUP

The group meets monthly on Saturday afternoons in the Octagon, from 2.15–4.30pm. It was started to provide an opportunity for us to spend a quiet couple of hours working on our craft projects in good company, since we often find that we have too much to do at home to devote time to our creative hobbies, despite the benefits we derive from them. We usually leave feeling more relaxed, with the added satisfaction of having made progress on our projects.

We are always happy to welcome new members whether they are experienced crafters or just trying something new, so do come along. Remember to bring the materials and equipment you will need for your craft project. We will provide the company and refreshments. We ask for a donation of up to £1 to cover costs.

Last dates for 2014: 25th October; 22nd November.

For more details contact either Wendy on 01954 782041 or Sue on 01954 200875.

BAR HILL CHURCH HOMEGROUPS

At Bar Hill Church we have six small groups who meet regularly both weekly and fortnightly, with a mixture of evening and daytime meetings. We hope that the groups facilitate discipleship, mission, fellowship, evangelistic outreach and pastoral care. We study a variety of popular biblical material; recent studies have included bible studies on the books of Romans and John as well as deeper insights in to the topics of prayer and worship. The current topic of study is 'praying through the Psalms'.

If you are interested in joining in the fellowship of a small group within the village please contact me at the Bar Hill Church office to discuss placing you in a suitable group.

GIRLGUIDING IN BAR HILL

1st Bar Hill Brownies had a busy start to the year celebrating the Big Brownie Birthday Centenary. We started with some of the girls taking part in the Anglia Region launch weekend at Butlins in Skegness. The girls worked towards their 100 years Challenge badge, and they created a scrap book of memories. They also took part in a joint Sleepover with the other Brownie pack. The girls got to do lots of Space Activities and then slept in the Church! Many attended the Big Brownie Starquest Day in the grounds of Churchill College in July.

We ended the term with a walk to Lolworth for a quiz and a picnic. We are looking forward to another exciting term ahead for the Brownies! Why not come and join in the fun?

Girlguiding units currently meet weekly in Bar Hill: Rainbows (age 5–7) Monday and Wednesday, Brownies (age 7–10) Tuesday and Wednesday, Guides (age 10–14) Wednesday, and Senior Section (14+) meet monthly.

If you would like to volunteer, or your daughter wants to join us having fun in a girl only environment, please go to www.girlguiding.org.uk/interested.

For more information about local girlguiding, please phone 01954 203322 or email Di Gunton, Bar Hill District Commissioner, at dj@theguntions.com.

REPORT FROM COUNTY COUNCILLOR JOHN REYNOLDS

As your County Councillor I welcome hearing your point of view on issues that affect our community. Contact me by email at j.e.reynolds@ntlworld.com.

Bar Hill Flooding

Friday 8th August saw our village deluged by a rainstorm of biblical proportions. Some 117mm (over 4½") fell over Bar Hill and surrounding villages in less than an hour. Around 75 homes were flooded.

Sadly the school was flooded twice, 8th and 14th August. Mobile classrooms were erected in the playground and the school was able to open on time, so that the children's education was not affected.

A number of local businesses were affected, including the Hotel where 17 rooms, staff accommodation and property were damaged.

Since the flooding, a Drop-In Event was held for residents and businesses affected by the flooding. Representatives from Cambridgeshire County Council, the Environment Agency, and South Cambridgeshire District Council attended to answer questions and to receive completed 'Flood Investigation' forms.

Save money with the Cambridgeshire Energy Switch

Residents again have the chance to cut their energy bills with the third "Cambridgeshire Energy Switch Scheme". This year has seen over 480 households switch their energy supplier and save an average of £207 per household per year. This represents a saving of over £100,000 for Cambridgeshire residents.

The scheme is supported by Cambridgeshire County Council and uses the collective bargaining power of residents to achieve better prices for electricity and gas to save households money. It's open to all residents on both credit and pre-payment meters.

Anyone wishing to sign up or find out more can log on to www.cambridgeshire.gov.uk/switch. Those without access to the internet can contact Cambridgeshire County Council on 01223 507164.

Northstowe Phase 2 – outline planning application

An outline planning application for Phase 2 of Northstowe has been submitted. The application is for: (1) development of the main Phase 2 development area for up to 3,500 dwellings, two primary schools, a secondary school, town centre including employment uses, formal and informal recreational space and landscaped areas, eastern sports hub, remainder of the western sports hub (to complete the provision delivered at Phase 1), busway, a primary road to link to the southern access, construction haul route, engineering and infrastructure works; and (2) construction of a highway link (Southern Access Road [West]) between the proposed new town of Northstowe and the B1050, improvements to the B1050, and associated landscaping and drainage.

NEIGHBOURHOOD WATCH

Meerkats could be coming to your street!

As NHW celebrates its 50th Anniversary,

comparethemarket.com has joined forces with them to promote stronger communities. They have produced an updated logo with meerkat favourites Aleksandr and Sergei and the writing changed to 'neighbourhoods watching'. Not

watching in a nosey way, but being alert to help keep our communities safe. 65% of people agree neighbourhoods would be stronger and safer if people knew each other better, yet one in 10 can't name a single neighbour

What might it mean in practice?

- ☺ Looking out of your front window at night (eg before you go to bed); burglars know most people don't do so once their curtains are drawn.
- ☺ Preventing your neighbour's home looking empty while they're away; post piling up, full wheelies after bin day or empty wheelies left out, can all attract a criminal's attention
- ☺ Reporting any suspicions or concerns to the police (101); eg an unmarked white van trawling the streets or someone paying particular attention to the outside of properties. The more reports the police receive the easier it is for them to build up a picture of possible criminal activity.

So would you like to see these cheeky new meerkats in your road?

We are looking for new or replacement street coordinators in: Foxhollow, The Brambles, The Fairway, Chestnut Rise, Hillcrest (nos. 1-109), Field View, Oatlands (14-52), Partridge Drive, Otter Close and Gardens.

If you would like to know what is involved please contact me and help to keep our village community stronger and safer.

– SWAVESEY RADSOC PRESENTS "CINDERELLA" – would you like to be in it?

RADSOC's pantomime for 2015 is "Cinderella" and will be performed at Swavesey Village College on 23–25 January. If you've ever thought you'd like to be in a pantomime, now's your chance! We'd be delighted to hear from anyone who'd like to be in the chorus. All ages are welcome! We rehearse twice a week, on Monday and Wednesday evenings, plus a few Saturday mornings, in Swavesey and Bar Hill. Or maybe you'd like to help backstage, or with the technical crew, or front of house? Whatever you'd like to do, RADSOC is a friendly group and you'd be made to feel very welcome. Please contact the producer, Chris Avery, on 01954 781233, or e-mail secretary@swaveseyradsoc.org for more information.

BAR HILL FOOD BANK DROP-OFF

Did you know there are currently 13 million people in the UK living below poverty level? Cambridgeshire may appear wealthy, but local food banks, part of the UK-wide Trussel Trust, have seen a massive increase in demand in the five years since their introduction.

Food banks were developed to give local people three days' worth of emergency food at times of urgent need. Bar Hill Church has a drop-off box for donations in the main church foyer. If you'd like to contribute tinned, dried or non-perishable food, the Church is open on Mondays, Wednesdays and Fridays from 0930-1230.

We have lists of suitable foods on the church notice board, or you can get more information at cambridgecity.foodbank.org.uk.

DISTRICT COUNCILLOR REPORT OCTOBER 2014

As a result of the flash floods on 18th August, over 100 homes were flooded, 76 of them in Bar Hill. South Cambs collected 18 tonnes of carpets, flooring and household appliances. Seven hundred sandbags were distributed to homes in imminent danger of being flooded. Further information can still be found on www.scambs.gov.uk/content/flooding.

Cambridgeshire is the fastest growing county in the country. Its population will grow by almost a quarter in the next 20 years. Most of the 120,000 new residents will be housed in Cambridge City and South Cambridgeshire, where the economy is expected to grow by 74%.

As a result of a grant of £500K of government money, South Cambridgeshire and Huntingdonshire District Councils have agreed to share certain specialised services, such as Building Control. The councils saved £12 million in the last 4 years to compensate for a 25% cut in funding. Sharing services will result in a further £10m savings in the next 10 years.

Changes in refuse collection rounds will result in savings of £400K. Bin collection calendars can be found on www.scambs.gov.uk/bins-by-parish. Discussions are taking place with Cambridge City Council to merge refuse collections, resulting in further savings.

Organised by the Council, the last of this year's paddleboarding sessions will be held at Milton Country Park on 5th October, from 0930-1130 and 1230-1430. This involves standing on a board and moving through the water using a long paddle. Cost is £30, with a qualified instructor.

If you need help, assistance or further information, do please get in touch.

Litter Picking Day

Unfortunately, the turn-out on 13th September was very disappointing. Only six residents attended, three of whom were Councillors. Those that came did a sterling job as usual. If you want your village to look good, you have to contribute your time. We have a great deal of community spirit in Bar Hill and we must not lose sight of that fact.

Village Responsibilities

Just a reminder to all residents of who is responsible and for what. All village roads, footpaths and street lighting is the responsibility of the County Council (01223 717111). Bin collections and any rubbish related problems is the responsibility of South Cambridgeshire District Council (03450 450500). Trees and hedges may be the responsibility of the Parish Council, depending on where they are. If a tree or hedge is coming from someone's garden then the Parish Council can write to the resident asking them to cut it back.

Bar Hill Emergency Plan

Over the last few months Councillor Mike Nelson has been updating our emergency plan for the village. It is now nearing its completion. However, we would like to have an emergency telephone tree that we can put in the plan with names and phone numbers of any willing Doctors, Nurses and first aiders. If you qualify and are willing to have your number put on the tree please contact this office.

Parish Council Meetings

The next meeting is on Thursday 16th October at 7pm in the Parish Council Office. Members of the public and press are welcome to attend. There is an Open Forum at the start of each meeting for residents to put their views across.

Any problem with Streetlights ring 0800 253529 and give the number written on lamppost.

NO WONDER COLDS SPREAD SO QUICKLY

Starch is used as a binder in the production of paper.

It is the use of a starch coating that controls ink penetration when printing. Cheaper papers do not use as much starch, which is why your elbows get black when you lean over your morning paper.

HISTON NEIGHBOURHOOD POLICING TEAM

I am Police Sergeant Mark Rabel. I've been in post now for about three months, based at Histon Station. I have responsibility for the Histon Panel area, which embraces your village. I live in this area and have three kids – the two youngest attend local schools.

South Cambridgeshire continues to be a safe place to live and work. The biggest crime problem continues to be burglary, with an average of one a day committed throughout the area. Our geographic patch is approximately 350 square miles – a massive area to patrol. A typical MO is that a window is smashed with an untidy search of the house before making off with small valuables. It's an awful experience for the victim, with a feeling of violation and the cost of replacing items, repairing windows and changing locks. In the last several weeks we have charged eight individuals with burglary. Interestingly all but one live outside South Cambridgeshire, suggesting our area is targeted by criminals. Preventing burglary and catching offenders remains our top local priority.

You can help by keeping vigilant for suspicious activity in your area and calling 999 if you feel something is amiss. Statistically there are very few successful burglaries where a working alarm system fitted. If you would like advice regarding the security of your property, your local officer will be happy to help.

The summer is almost over and we have had relatively little disorder compared to the same time last year. We were actively engaged in summertime patrols in the green spaces in your area. All carnivals and events were without major incident.

Our next Panel Meeting, where your local priorities are set, takes place on the 15th October at the Orchard Park Primary School – 7pm for 7.30pm start. The meeting usually finishes by 9pm. You are welcome to attend for a chance to meet your local officers, get a more specific update on police activities in your area, ask questions or just observe.

For those that already know me I am also happy to talk about cricket!

Then you could be the right person to offer some leadership for the Bar Hill Football Project Committee, who manage the floodlit astro turf pitch in the village. – BAR HILL COLTS FOOTBALL CLUB NEWS – FOCUS ON THE BAR HILL VIXENS GIRLS U12 TEAM

This month we focus on our Bar Hill Vixens Girls team, who won the Bar Hill Colts team of the year last season, with Kristen Merry picking up manager of the year too. As the Bar Hill Vixens enter their 3rd season, Saturday mornings are back on the radar again and the coaches feel the Vixens now have a new sense of energy and purpose during training! We will be using this momentum to work on discipline during training, commitment on the ball and most of all, enjoying the game and having even more fun.

This season the girls move up to the under 12s in the S-Tech Cambridgeshire Girls South league. See our recent results and upcoming matches on the FA full-time website: <http://tinyurl.com/vixens2014>. Or for a more condensed league table and fixtures for your mobile: <http://tinyurl.com/vixens2014mobile>. One of the things you notice as part of the coaching team is that after three seasons the girls have more or less found their natural playing positions on the field. They don't all want to be strikers – they all want to score a goal though, but there's no more chasing the ball like a pack of wild dogs. The girls now realise the importance of team effort, playing as a team, passing, making space, the importance of a confident goalkeeper, a strong defence and a hard working midfield... all of which they have in shed loads, but that's not to say they're not still a work in progress. So come Saturday morning, match day, league and cup matches, home or away, we'll have to get used to that feeling of anticipation, the butterflies in the stomach, the feeling of wanting to get on with the game, the pre-match team talk, enjoying the beautiful game and learning from the experience, not just the winning... so, watch this space!

Please come and support us on Saturday mornings... and "Come on you Vixens!!!"

OCTOBER BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

WINTER is coming and after seeing a rise in chimney fires last year,
Cambridgeshire Fire and Rescue Service is encouraging residents to get
their chimney professionally swept before the cold sets in.

Top tips to enjoy an open fire safely:

- Sweep your chimney at least once a year and get brickwork inspected, especially the chimney breast and roof space.
- Do not bank fires too high or overload the grate, and remember to let them burn down well and check the hearth before going to bed.
- Use a fire or spark guard to prevent accidental fires.
- Do not place objects on or over the mantle-piece which may cause you to stand too close to the fire to reach or use them.
- Burn only suitable fuels and avoid burning resinous woods as soot builds up quickly.

Above all, ensure you have a working smoke alarm fitted on each floor or your home. To find out if you are eligible for a free home fire safety check, call 0800 917 9994.

HEATING OIL

Now is the time to consider your heating oil requirements for the winter months.

Traditionally oil prices in the summer and early autumn tend to be cheaper, and deliveries faster than in the colder weather.

Cambridgeshire ACRE's community oil buying scheme is designed to help purchasers of central heating oil make savings by buying in bulk. The scheme is open to anyone in Cambridgeshire and Peterborough. Community buildings such as churches and village halls as well as businesses which are reliant upon heating oil can join too. The annual membership fee for domestic users is £20 and covers as many oil orders as you need during the course of the year.

Through our partnership with AF Affinity Limited, the scheme makes the most of collective purchasing power.

The average saving is 2 pence per litre against online prices. Members who ordered oil in July and August this year got it for less than 50 pence per litre (exclusive of 5% VAT). The environment benefits too as every time a tanker makes a delivery, it is using diesel – a full tanker can get as little as a horrifying 8 miles per gallon. If deliveries are organised so that one tanker delivers to several customers instead of making lots of individual deliveries, the fuel consumption is reduced and so is traffic in the village.

To find out more about the Cambridgeshire ACRE Community Oil Buying Scheme, go to our website www.cambsacre.org.uk or contact Julie Weekes: T: 01353 860850; E: oil@cambsacre.org.uk.

CARERS AWAY DAY FRIDAY 3rd OCTOBER – 10am to 4pm MARRIOTT HOTEL, HUNTINGDON

Do you care for someone? A carer is a person of any age who provides unpaid support to a partner, child, relative or friend who could not manage to live independently, or whose health and wellbeing would deteriorate without this help.

Cambridgeshire's Carers Away Day is a free annual event providing carers with the opportunity to take part in informal discussion groups with expert speakers, relax, get creative and have fun by taking part in a range of activities. There is a marketplace of information and advice stands. Lunch and refreshments are provided.

This is an opportunity to meet other carers and share your stories and experiences. Places are limited so please book early to avoid disappointment. To book your place contact the Carers Support Team on 01480 377616 or e-mail:

CarersSupportTeam@cambridgeshire.gov.uk. There may be support for carers to attend, so please ask for any assistance you might need to enable you to come.

For more information about the day, visit www.cambridgeshire.net.

A date for your diary: **1ST NOVEMBER: JUMBLE SALE AND MINI-AUCTION** in the Village Hall
e-mail barhill.villagehall@btconnect.com for more information. Donations of unwanted items would be greatly appreciated

Walking improves your mood and helps combat depression.

Walking can improve your confidence, stamina, energy, weight control and life expectancy.
